THE BLACK CANDLE COMPANY
ABOUT US
LUXURY COLLECTION

The Black Candle Company specializes in crafting luxury candles and more at an affordable price. Our collection is minimal, simple, modern, and aesthetically pleasing for your home. Our candles are label-less to create a seamless transition into your space and an overall simplistically modern appearance. Choose from any of our 4 captivating scents and 8 products to transcend your home!

We enjoy crafting luxury experiences through design and home fragrances. Everything that we do involves the psychology of sensory experiences and the effects on the human mind. We thoroughly enjoy intertwining design, home fragrances, and psychology for a life altering experience
